STOCK MARKET IS NOT TO BE GAMBLED

(IN DARK WITHOUT KNOWLEDGE/DISCIPLINE, especially as a beginner or when we made losses already).

Market is not a casino. Gradually market makes us learn that, if you follow right methodology and discipline always, you can become a professional to forecast market in a logical way.

MOST OF US SPEND OUR ENTIRE LIFE SEARCHING FOR THE SYSTEMATIC PROCESS & METHOD...

we spend much money exposing ourselves to market without knowledge or experimenting stuff on our own... How do I know that? I have done that too...

SELF-LEARNING REQUIRES

Experimentation, Perseverance, Hard work, High psychological strength to move forward every time u hit a failure block, eventually higher risk appetite till you find your system working....

SELF-LEARNING IS TIME TAKING TOO...

I have spoken to many traders or aspiring students coming approaching my programs to become a PROFESSIONAL Trader in QUICK Time.... like immediately... after theory classes... Well...I only say one thing... It's worth it!

GIVE YOURSELF TIME TO GRASP & PRACTICE.

WHAT YOU WILL MASTER

- **PURE PRICE ACTION** — No Indicators. Just Price Charts.
- **HIGH PROBABILITY SETUPS** — Identify high quality trade setups.

THE PRICE ACTION TRADERS'-THE MASTER CLASS PROGRAM

Master the Markets with Advanced Price Action

A Premium Mentorship Program by the Academy for Advanced Trading Strategies (AATS)

Dear Trader,

The Academy for Advanced Trading Strategies (AATS) proudly presents India's most comprehensive educational program on **Advanced Price Action**. Unlike standard courses, our model combines rigorous theory with direct mentorship from practicing professional traders, ensuring you gain practical, first-hand experience in the live markets.

Why Choose Advanced Price Action? Whether you are a beginner or an experienced trader looking for a definitive edge, this program provides the ultimate foundation. By the end of the course, you will be able to:

- **Trade Naked Charts:** Analyze and execute trades purely on price action, completely free from lagging indicators.
- **Master Any Market & Timeframe:** Seamlessly trade Cash, Futures, Forex, Commodities, and Derivatives across Intraday, Positional, or Long-Term horizons.
- **Maximize Returns:** Identify high-reward/low-risk trade setups with tight stop-losses using basic tools—no expensive or specialized software required.
- **Expand Your Expertise:** Gain deep knowledge in broader market analysis, inter-market dynamics, stock scanning, and trade management.

Program Structure & Logistics (6 Months Total)

Phase 1: Comprehensive Theory (2 Months)

- **Curriculum:** 25 in-depth sessions (2–3 hours each), cover everything from market basics to advanced bonus strategies.
- **Flexibility:** Online recorded sessions delivered in English. Links remain active for 7 days, allowing you to review material within course period, view at your own pace from anywhere in the world.
- **Accountability:** Mandatory homework for every topic, personally reviewed by our Chief Mentor.

Phase 2: Post-Theory Mentorship (4 Months)

- **Dedicated Coaching:** Receive personalized, post-program support via Telegram.
- **Trade Setups & Psychology:** Work directly with a dedicated mentor to build robust trade setups and develop the ironclad psychology required for consistent profitability.

Investment & Enrollment

- **Standard Curriculum & Mentorship Fee:** ₹1,75,000, **Special Discounted Fee:** ₹1,45,000
- **Never before One Time Offer: 10th Anniversary Offer 40% Discounted Fee: ₹1,05,000**
  (Note: No prior market knowledge is required. The curriculum is designed to take you from the absolute basics to advanced mastery.)

Reserve Your Seat The next batch is starting soon. Seats are strictly limited to ensure high-quality mentorship and are allocated on a first-come, first-served basis.
To apply, please contact **Mr. Sumanth Kumar** to complete your KYC verification.
Once approved, you will be provided with a secure payment link.

Here's why you should look to take up Academy for Advanced Trading Strategies' (AATS)

PAT-TMC - "PRICE ACTION TRADERS'-THE MASTER CLASS PROGRAM"

Brief benefits of **PRICE ACTION TRADER'S** program of ACADEMY for Advanced Trading Strategies;

1) Once you go through this program, **you will get rid of all the Noises and retailer practices**. You will **begin to play the market like a Professional and not as a Gambler anymore**. **You will have a clear understanding of the Tricks and Traps of the Institutions and where the Smart Money is entering and exiting**. This itself can make a remarkable shift in your trading outlook.

2) Learn to trade based on contemporary **Advanced PRICE ACTION** concepts,

a. Without any Lagging elements like INDICATORs/OSCILLATORs, Moving averages, Bollinger bands, etc
b. No SR Pivots, Camarilla Pivots, Conventional patterns,
c. No Special software, mathematics, astrology, etc. **Trade using ZERO-Noise PLAIN Naked PRICE Charts**.
d. You never heard of the content on any Books, You-tube or any public retailer arenas, all very EXCLUSIVE of this program. That's why you see the market with new eyes from Institutional Perspective.

3) Understand the **Institutional Price Curve** and its depths to predict the next move and participate in it.

4) Learn to **Read the Price Chart** and to choose the opportunity that suits your trading style- Intraday, Positional, Swing or Investment. The Concepts work on every single timeframe.

5) Learn the **Unique Trend Strategy** across different trading styles.

a. Advanced Trend Analysis, helps you to identify the True and False Trends easily.
b. Understanding of Trend helps to play each trading style with EASE.
c. Be the first one to know the reversal of Uptrend to Downtrend and Downtrend to Up in any trade
d. **RIDE the REAL trend**, right from the ORIGIN to END and the REVERSE.
e. Enter a Trade **MUCH AHEAD of EVERY OTHER** Analysis methodologies available in the market.

6) Learn to understand **PRICE BEHAVIOR right from Basics to Advanced Level**.

a. Understanding Price behaviour gives an edge over Everything, the very construction of charts and What's NEXT in the play.
b. Learn to read **FEAR and GREED** in the Chart.
c. Learn the most advanced and unconventional price action patterns which institutions create
d. Learn to read the order-flow of institutions and the liquidity gaps risks
e. Learn **Multiple timeframe analysis** for both Entry and Exit strategies

7) Learn to understand the **Institutional Levels**.

a. Playing ALONGSIDE with the Institutions will make you stand at the correct bias of the trade.
b. How GREED and FEAR are inflicted and played by them.
c. Learn to identify the **Institutional tradeable Zones and trick levels**.
d. How to benefit with the deep understanding of price levels and with guided practice.

ACADEMY for ADVANCED TRADING STRATEGIES

8) Learn to understand specific **Entry Points** in the chart.

a. You will learn distinctive ways of entering a trade.
b. Learn very **unique ENTRY TYPES**, researched and extensively practised by the Mentors of the AATS.
c. These Entry types not only reduce Risks but also increases Reward miraculously on a trade.
d. These are exclusive to AATS. Not taught by any other Indian practitioners or institutes. You can take perfect ENTRY and EXITs.

9) Learn the methodology to place the **Spread based Stop-loss** in a unique way.

a. Placing Stop-losses anywhere is a dangerous aspect and could easily get triggered often.
b. Learn unique ways of placing stop-losses at the correct point in the chart.
c. Researched and developed by the Mentors of the AATS.

10) Learn to understand **correct Targets** and achieve **phenomenal RR on a Trade**.

a. Like Entry or Stop-Loss, setting up the correct Target is equally important, which most of the teaching institutions/conventional analysis techniques fail to give you.
b. Price Action based trades can give you much higher rewards like 10:1 or 20:1 or even higher, starting from 3:1. Other studies give you trades that end up with 1:1 or 2:1 or maximum 3:1 or even lower Risk to Reward.
c. Experience high Reward and low-Risk trade setups with small stop-losses and trade fearlessly.
d. Start seeing huge logical targets using various strategies/concepts which no other study can give with such precision

11) Learn to understand **De-Risking** at its full scale.

a. De-risking is a big concept with many different ways to do it.
b. Learn all the ways of De-risking.

12) Learn the proprietary "**WHAT IF Stop-Loss Strategy**". This is a unique Strategy to recover the loss from a stopped-out trade, researched and developed by the Mentors of the AATS.

13) Learn to read the **Broader Market, Stock Scanning, Risk and Trade Management**. Trade any market or any instrument like Cash, Futures, Options, Forex or Commodities- both Indian and International markets alike

PAT-TMC delivers Institutional concepts that are CUTTING-EDGE, Modern and UP-TO-DATE.

a. Learn to approach the market and build precise trade setups by building a strong foundation of price action concepts along with psychology
b. With Leading Price Behavior and Contemporary Concepts, Academy for Advanced Trading Strategies' program clearly moves you to the top of the EDGE than any other Conventional analysis technique available in the World.
